

Residential Recycling Letter

Following are some guidelines to help make your service effective.

Please separate the following items from your regular garbage.

1. Aluminum, steel, and tin food and beverage containers.
2. #1 and #2 plastic food or beverage containers, laundry detergent bottles, and soap bottles.
3. Clear, green, and brown glass food and beverage bottles.
4. Newsprint
5. Mixed papers: cereal boxes, flyers, copy paper, corrugated cardboard, magazines, catalogs, paper grocery bags, and junk mail.

All of these items should be placed in your recycling bin. All containers need to be rinsed out and free of lids. Labels do not have to be removed. We can not accept any plastic bags of any kind in the recycling. Cardboard needs to be cut down into 2 X 2 pieces in order to fit in the truck.

ITEMS WE CANNOT ACCEPT AT THIS TIME

1. Plastic trays or pots from flowers or plants, also plastics #3 and up.
2. Any container from oil, antifreeze, windshield washer fluid, or other car liquids.
3. Salt bags, top soil bags, packing plastic, light bulbs, plastic toys, aerosol spray cans, window glass, rubber products, mirrors, fabrics, wood, drinking glasses, Styrofoam, or containers used to store chemicals and paints.

Your recycling should be placed at the curb by 6:00AM. It is collected by a separate truck from the garbage.
