Minutes for June were not available.

Public Input: John McMahon came to the meeting to get the boards permission to have an Antique Car show using the Gazebo and around the Gazebo at the Taste of Porter August 28th. He is non-for profit.

Superintendent's Report: Routine building and park property checks made. General building maintenance done. Grounds cleaned and trash barrels dumped. Grass is being mowed weekly and weed eater work done as needed. The cost to repair the vandalism to the Gazebo is \$368.00 for the lower tier of rope lights. Other vandalism at the Gazebo consists of damage or removal of receptacle covers. No funds are available to replace these now. Repairs will come later. At the new Porter Cove shelter we have 6 tables. It turned out real nice and people are taking advantage to use the shelter and area.
